*Reunion at Fellowship
Farm, near Pottstown, PA*

(you can send, but I can not reply via e-mail)

Dear ones,

This letter is being sent only to those people who are coming to the MNS Reunion and to those who are still on the "maybe" list (in hopes they will see the names of those coming and decide to come, too).

Based on the completed registrations received to date, it seems best for us to start the reunion at Fellowship Farm with Thursday (August 15) lunch and end with Sunday (August 18) lunch. Of course, people preparing Thursday's lunch and other planners will arrive at the farm Thursday morning and there will be clean-up activities at the farm Sunday afternoon.

There are some people--so far--who would be interested in a Wednesday (August 14th) dinner and Thursday (August 15th) breakfast with an overnight Wednesday. These are Pete and Marty, Ray and Jacqui, John Koch, George Lakey, Ross Flanagan plus one, and Nina Huizinga. Perhaps, we could work something out in the Philadelphia/New Jersey area. If there are others who would be interested; if any of those mentioned want to change their plans; and if there are people in the Philly/NJ area who would like to host /attend an overnight, a breakfast or a dinner; please let me know.
